

## **Free Community Hires of Northway Community Hub**

At the discretion of the Parish Council Northway, Community Groups, or those groups that operate for the benefit of Northway, can have the first two hours free of charge, beyond this normal charges (including VAT) will be applied. This is on the basis that there is no charge made to the attenders. If any excess funds are raised, these should either be fed back into charitable/community work in Northway or used to offset the Hub charges.
