P/05/20 **Planning Applications** (continued)

A resident expressed concerns relating to the handling of this application by Tewkesbury Borough Council (TBC). The resident heard about the application from a neighbour as well as the Parish Council. He had complained to TBC about its lack of, and incorrect, information and was told it was due to their GIS mapping system.

Cllr Roberts explained to the resident that the Parish Council could only respond to the application on its merits and would not be able to take the information provided by him into account but could write to TBC and add weight to his concerns. Cllr Roberts PROPOSED no objections to the application provided the materials used were in keeping and a suitable method was found to dispose of surface water run-off. Cllr Shelton SECONDED.
